**Baking Tray, Aluminum, 660x460x27 mm, ~26x18x1 in**

\$14

3400063

- **Generous Dimensions:** Measures 660x460x27 mm (~26x18x1 in), ideal for large batch baking.
- **Durable Aluminum Construction:** Lightweight, corrosion-resistant, and ensures even heat distribution.
- **Rolled Edges:** Reinforced edges for added strength and easy handling.

**Baking Tray, Aluminum, with Holes for Airflow, 660x460x27 mm, ~26x18x1 in**

\$16

3400064

- **Perforated Design:** Features holes for improved airflow, ensuring even baking results.
- **Generous Size:** Measures 660x460x27 mm (~26x18x1 in), suitable for large batch baking.
- **Durable Aluminum Construction:** Lightweight, rust-resistant, and ensures optimal heat distribution.
